TO PRACTICE AS A BURGLAR ALARM &	:	
FIRE ALARM LICENSEE IN NEW JERSEY	:	

This matter was opened to the New Jersey Fire Alarm, Burglar Alarm and Locksmith Advisory Committee ("the Committee") upon receipt of information which the Committee has reviewed and on which the following preliminary findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Walter J. Przybylowski ("respondent") is licensed to practice as a burglar alarm installer and a fire alarm installer in the State of New Jersey and has been at all times relevant hereto. Respondent failed to renew his burglar alarm license and his fire alarm license prior to their expiration on August 31, 2007. As a result, respondent's burglar alarm license and fire

alarm license are suspended, pursuant to law, specifically N.J.S.A. 45:1-7.1(b), for failing to renew both licenses within 30 days of their expiration date. (Exhibit A, Certification of George De Luca, Administrative Analyst, attached).

2. The Committee received a complaint referral from the Middlesex County Office of Consumer Affairs. The complaint concerned the installation of an electronic security system for consumers R.F. and I.F. According to the information received, in 2010, respondent, through his company "On Guard Home Integrators", installed an electronic security system for R.F. and I.F. According the consumers, the system failed to operate adequately. (Exhibit B, letter from respondent to R.F. and I.F., dated February 15, 2010, attached). (Exhibit C, copy of proposal from "On Guard Home Integrators" to R.F. and I.F., dated April 8, 2010, attached).

3. According to the Committee's records, "On Guard Home Integrators" has never been issued a fire alarm business license or a burglar alarm business license in the State of New Jersey. (Exhibit A, Certification of George De Luca, Administrative Analyst, attached).

4. R.F. and I.F. also complained that they attempted to contact respondent in order to address the failures of the electronic security system. However, respondent failed to reply. (Exhibit D, copies of e-mails from I.F. to respondent, attached).

5. The Committee sent a letter to respondent dated December 23, 2011. The letter requested that respondent provide

the Committee with information concerning the complaint received from R.F. and I.F., as well as an explanation concerning respondent's failure to renew his burglar alarm and fire alarm licenses. The letter also asked respondent to explain why he is operating "On Guard Home Integrators" without a business license. The letter was sent to respondent's address of record, via regular and certified mail. The certified mail was received, as evidenced by the return of the certified postcard bearing a signature and indicating a date of delivery of January 5, 2012. The regular mail was not returned. Respondent failed to provide a response to the December 23, 2011 letter. (Exhibit E, copy of letter dated December 23, 2011 sent to respondent's address of record, via regular and certified mail, attached).(Exhibit F, copy of certified post card bearing a signature and indicating date of delivery of January 5, 2012, attached). (Exhibit A, Certification of George De Luca, Administrative Analyst, attached).

CONCLUSIONS OF LAW

The above preliminary findings of fact provide grounds for the imposition of civil penalties, pursuant to N.J.S.A. 45:5A-25, which prohibits any person from advertising that he is authorized to engage in, or engage in the alarm business or otherwise engages in the installation, service or maintenance of burglar alarm, fire alarm or electronic security systems unless he satisfies the requirements of N.J.S.A. 45:5A-23 et seq.

Additionally, the above preliminary findings of fact provide grounds for the imposition of civil penalties, pursuant to N.J.S.A. 56:8-1 et seq., the Consumer Fraud Act, in that respondent engaged in conduct that implicitly demonstrated authorization that does not exist, which would constitute the employment of deception, fraud, false pretense, false promise, and/or misrepresentation within the intendment of N.J.S.A. 56:8-2.

Finally, the above preliminary findings of fact provide grounds for the imposition of civil penalties, pursuant to N.J.A.C. 13:45C-1.2 & 1.3., in that respondent's failure to respond to the Committee's request for information constitutes professional misconduct in violation of N.J.S.A. 45:1-21(e).

ACCORDINGLY, IT IS, on this *16th* day of *October*, 2012,

PROVISIONALLY ORDERED that:

1. Respondent's licenses, #34BA00170300 & #34FA00134300, both of which are currently suspended by application of N.J.S.A. 45:1-7.1(c), shall be suspended as a disciplinary action until such time as respondent applies for reinstatement, appears before the Committee to discuss the complaint received from consumers R.F. and I.F., as well as respondent engaging in the alarm business and providing alarm services with a suspended license, satisfies all the requirements and qualifications for reinstatement, and has fully satisfied all of the penalties assessed within this Order.

2. Respondent is hereby provisionally reprimanded, pursuant to N.J.S.A. 45:1-22(a), for violation of N.J.S.A. 45:5A-25, N.J.S.A. 56:8-1 et seq. and N.J.S.A. 45:1-21(e).

3. Respondent shall pay a civil penalty in the amount of \$2,000.00 for violation of N.J.S.A. 45:5A-25 and N.J.S.A. 56:8-1 et seq., and pay an additional civil penalty in the amount of \$500.00 for violation of N.J.S.A. 45:1-21(e), for a total of \$2,500.00.

4. Respondent shall cease and desist from engaging in the unlicensed practice of offering fire alarm and burglar alarm services in violation of N.J.S.A. 45:5A-23 et seq.

5. The within order shall be subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry hereof unless respondent requests a modification or dismissal of the above stated Findings of Fact or Conclusions of Law by:

a) Submitting a written request for modification or dismissal to David Freed, Executive Director, New Jersey Fire Alarm, Burglar Alarm and Locksmith Advisory Committee, 124 Halsey Street, Sixth Floor, P.O. Box 45042, Newark, New Jersey 07101.

b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.

c) Submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefore or offered in mitigation of penalty.

6. Any submissions will be reviewed by the Committee and the Committee will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through a supplemental submission during the thirty-day period, or if the Committee is not persuaded that the submitted materials merit further consideration, a Final Order of Discipline will be entered.

7. In the event that respondent's submissions establish a need for further proceedings, including, but not limited to, an evidentiary hearing, respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained herein shall serve as notice of the factual and legal allegations in such proceeding. Further, in the event a hearing is held and upon review of the record, the Committee shall not be limited to the findings, conclusions and sanctions stated herein.

8. Nothing in this order precludes the Board from taking disciplinary action regarding the complaint received from consumers R.F. and I.F.

Re: Complaint, [REDACTED] vs. On Guard Home Integrators
[REDACTED]

Unlicensed Provision Of Alarm Services Or Electronic Security Systems

Dear Mr. Przbylowski:

The Advisory Committee has been referred a complaint from the Middlesex County Of Consumer Affairs by [REDACTED]. The complaint is with regard to the installation of an electronic security system at [REDACTED], New Jersey, the failure of the system to operate adequately, and the difficulty encountered by [REDACTED] in his attempt to resolve the matter with you.

Additionally, a review of Advisory Committee records indicates that both your burglar alarm and fire alarm licenses expired on August 31, 2007. It has also been determined that On Guard Home Integrators is not licensed by the Advisory Committee to engage in the installation, service or maintenance of alarm services or electronic security systems.

Therefore, the Advisory Committee requests the following:

- A description of services provided to [REDACTED], and, a copy of the invoice for the work performed;
- Copies of permits which may have been required for the installation of the electronic security system at [REDACTED], New Jersey;
- Your response to the allegations made by Mr. [REDACTED];
- An explanation why you failed to renew your burglar alarm and fire alarm licenses, both which expired on August 31, 2007, and, why you have not obtained a license for your business, On Guard Home Integrators.

Please note, pursuant to N.J.S.A. 45:5A-25, which provides in pertinent part:

(a) No person shall advertise that he is authorized to engage in the alarm business, or otherwise engage in the installation, service or maintenance of burglar alarm, fire alarm or electronic security systems unless he satisfies the requirements of this act.

The Advisory Committee requests that you provide your responses to the complaint as well as an explanation why you failed to renew your burglar alarm and fire alarm licenses, and, why you have not obtained a license for your business, within **fifteen (15) days** of receipt of this correspondence.

The Advisory Committee appreciates your expected cooperation.

Sincerely,

George De Luca
Administrative Analyst
